

MSMWHS212

FIRST RESPONSE TO FIRE HAZARD

Access Unlimited is a Registered Training Organisation (*Provider No: 51806*) : **MSMWHS212**
Undertake First Response to Fire Incidents

This course is designed for operators who are required to respond to fires in the workplace (other than evacuating to the assembly point). It covers the first response (only) to fire, and does not include aggressive fire fighting.

Typically this response would be undertaken to contain /extinguish a minor fire or to contain a more major fire while external help arrived. An ability to work under supervision and / or alone is required.

This competency may be delivered as part of an induction program.

Topics Covered

- ▶ Procedures
- ▶ Tools & Equipment
